

British Cars and Ice Cream Rally 2017

The Evening Edition

The Evening Edition is an adjunct to the Tuesday and Thursday daytime car runs. Join your VBCC friends on Wednesday evening for Kawartha Dairy ice cream. Meet at 7:00p.m. at the various locations shown below. Evening runs cover 10 locations from mid-June through mid-August. Hopefully the evening sun will get you home before night falls. Track your participation by initialling the “attend” square. Winners of the Evening Edition will be announced at the Fall General Meeting.
